

UPHOLSTERY

Design

Our own upholstery division and design department enable us to realize an optimum combination of reliable, experienced craftsmanship and materials with excellent shape and look. Therefore, we are always able to satisfy special requests for our customers, such as having an entire chair upholstered with leather (no visible metal parts), which has been carried out for several customers in the yacht building industry. As a matter of course, our standard-models also benefit from this professional performance.

Collection

Three ways to customize your chair-system in material and colour:

- from Cleemann's own collection
- as specified by our customers
- as supplied by our customers

Material

We only use proven high-quality materials from leading European manufacturers.

- **Alcantara™** This material combines softness, elegance and rich colours. Enduring and easy to clean.
- **Leather** Always a good choice – real leather. Standard colour is black.
- **Vinyl** High quality vinyl (artificial leather). Standard colour is black. Any colour / pattern available.
- **Fabric** Trevira™ – high quality fabric / fire-resistant material (certified).
- **ACC 1000** (Cleemann's own material). Heavyduty material. Fireproof and vandalism-protected (not cuttable).
